Swim On In

Benefit Campaign for programming and services at the Ciccotti Center

The Ciccotti Center invites you to be part of this benefit campaign by sponsoring a multi-colored Fish to honor loved ones, celebrate significant milestones, or simply leave your mark for generations of swimmers and waterlovers to come. Your personalized Fish will be part of our collage of multi-colored, multi-sized fish known as the *Swim Celebration Wall* outside the Aquatics area. This naming opportunity is a unique way to show your support of the Ciccotti Center's strong tradition of swimming and unparalleled family aquatic programs. *SWIM ON IN* and show your support today!
